SAVE MAIN ROAD

By joining *Save Main Road*, I'm expressing my support for an organization committed to preserving the largely rural atmosphere of Jamesport, South Jamesport & Aquebogue. *Save Main Road* pursues its goals through education, lobbying, negotiation, &—when other methods fail—legal action. I'm specifically aware of the need to litigate the Village at Jamesport vote, & endorse this effort.

We have the right to remain rural.
Our environment is our economy.
